ANNEXATION... OR ELSE!

Legislation which could force Campbell to become annexed to San Jose by summarily depriving this community of police and fire protection, sewer maintenance, construction and repair and other municipal type services, has been introduced in the state legislature.

Sponsored by the powerful League of California cities, identical bills (SB 769 and AB 3217) in the Senate and the Assembly provide that unincorporated areas having a minimum density of population of 300 persons per square mile may be designated as urban unincorporated areas and, on and after March 1, 1953, "the board of supervisors shall not provide any municipal type service to any area determined to be an urban unincorporated area in proceedings taken under this chapter, unless all costs of such services are paid by the areas served."

The bill continues: "On and after March 1, 1953, as means of providing for the costs of municipal type services to borne by the urban unincorporated areas served, the board may levy a tax upon all taxable property within any urban unincorporated area in the county sufficient to pay all costs of municipal type services rendered such area."

"The tax provided in Section 25288 (the above paragraph) shall be in addition to any other methods provided by law for the payment of the costs of municipal type services by the area served."

Following Senate Bill 769, as quoted above, is another bill, 770, which provides for actual annexation of "urban unincorporated areas" as defined in 769. "In the case of a contiguous 'urban unincorporated area'... a city legislative body may, and upon receiving a petition signed by 25 qualified electors residing within such area, shall pass a resolution intention to call a special election giving at least 50 days notice thereof and of its intention to submit the question of annexation to the electors residing in the territory comprising such 'urban unincorporated area'."

Not only do the cities thereby simplify the method for annexation of valuable contiguous territory, but they also have seen to it that the annexed territory will help foot the bill for municipal improvements already paid for by city taxpayers. Thus, Section 35147 of Section 2:

"When any city to which it is proposed to annex territory pursuant to this article has incurred, or authorized the incurring of, and bonded indebtedness for the acquisition, construction, or completion of any municipal improvements, or has fixed an amount of money to represent the value to the territory to be annexed or municipal improvements already paid for by city taxpayers, the city legislative body contain a request that the question be submitted to the electors residing in the territory shall be, whether the territory shall be annexed, and the property in the territory subjected to taxation after annexation, equally with the property within the city, to pay any specified portion of such bonded indebtedness outstanding or authorized at the date of filing the petition, or that the question submitted to the electors residing in the territory shall be, whether the territory shall be annexed, and the property in the territory subjected to taxation after annexation to pay the amount of money fixed to represent the value to the territory of municipal improvements already paid for by city taxpayers."

Under SB 769, "urban unincorporated areas," may be designated following action brought by the board of supervisors or the legislative body of any city within the county. "The board of supervisors or the city legislative body must take such action upon the petition of 25 or more taxpayers." The superior court of the county has jurisdiction over the proceeding.

Thus, the county or the city is the initiating body in the annexation proceedings, NOT the unincorporated area concerned, and the bill does not establish place of residence of the 25 petitioner taxpayers.

These bills, by implementing big city annexation aims, threaten the very right of property owners to due process of law. They deny him the right to choose residence in a county area by permitting the cities to arbitrarily annex his rural community. In addition, the bills would force him, upon annexation, to pay for those improvements already installed within the city and paid for by the city taxpayers.

THEY MUST BE DEFEATED.

DON'T BE MISLED!

Talk a thing up big enough and you can sell the people most anything for more than it's worth. The side-show barker's laudations of the act on the other side of the curtain, the auctioneer's spiel, the razzle-dazzle claims of a radio commercial, all are designed to sell the public. Many methods are used to encourage the people to buy, to do, to act as the salesman wants them to. The piper used music to claim a terrible price when he didn't receive an honest payment for his labors.

Another means of selling is through newspaper advertisements. Here, too, the public must make up its mind between the good and the bad. Learn a few facts about honest advertising and you can discern between honest advertising and others that should be investigated by the Better Business Bureau. Such big city advertising headlines of appliance and furniture stores as "closing out—everything must go" repeated frequently by a shop which does not close out, have been fairly well obliterated by the BBB, but new come-ons have been developed by the sharpsters.

One of these is to advertise a terrific bargain available to first comers who are guaranteed savings of many dollars on this "valuable" item. Chances are, the earliest comer will learn that the item has "just been sold out" but "here are some equally important bargains," the salesman will hasten to add, showing some substitute junk with a terrific price tag.

Another means is to advertise no trade name, but to use plenty of flowery descriptive verbiage to describe an item which, for performance and workmanship will prove to the luckless buyer that he should have avoided the high-priced bargain for a reputable product whose maker will stand behind it.

The so-called auction sales by the high-pressure retail fly-by-nights and dealers in high-priced junk is another wool-over-the-eyes public deceiver. Generally the auctioneer requires a starting figure for the bidding which guarantees him the actual price of the item for sale. Bidding starts from that figure and the glib public hastens to bid against itself to the point where the eventual purchaser pays dearly for what he buys, even pays far more than the actual retail price of the commodity. If the bidding isn't good enough, there will be assistants in the audience to put spirit in it and boost the price.

Another means is to advertise that so many thousands of dollars worth of stock "must go at auction." Actually, the total worth of the stock placed in auction is probably a fourth of the advertised amount or less.

The big talk, big promises and generally come-on side-show barker methods of these ads is misleading and unorthodox, and many a housewife and her husband, honestly in search of their money's worth, are "taken" for an alarming

Legislature Report Given Grange By County Supervisor J. M. McKinnon

Ida Clendening, member of Orchard City Grange who died recently, was honored in a charter draping ceremony Tuesday night by the Grange. Master George Shattuck presided.

County Supervisors Joseph M. McKinnon gave a report on legislation, stating that the Supervisors' Association maintains a staff at Sacramento to keep informed on legislation pertaining to supervisory matters. At present the association is opposing a bill which would change the tax structure of unincorporated areas, he said. McKinnon outlined his reasons for opposing the bill which is sponsored by the League of California Cities, and stated he believes it to be very "vicious."

The supervisor expressed regret that the old age pension law which is amended at nearly every session of the legislature has become a "political football."

He cited abuses of the Child Welfare law by which some women draw as much as \$400 a month in child pay and make a business of posing as unwed mothers. He pointed out the problem of the "weekend husband," and noted a reform proposal which would make it a criminal offense for a woman to fail to report the reappearance of her husband.

Wesley Youngclaus, reporting on farm and garden activity, told of latest methods of spraying garden shrubs and fruit trees. He said soil throughout the valley is dry and hard due to the hot weather. Cots need extensive thinning, he stated. Vegetables and flowers capable of withstanding hot weather should be planted now, he concluded.

EGG PRICES

Richard Morill Jr., in his poultry report, said egg prices are 15 cents above those of a year ago due to war conditions. No price ceilings are contemplated at present. Present feed ratio, he said, is 10 dozen eggs to buy 100 pounds of feed.

For the Home Economics Club, Leone Keesling announced that 87 persons attended the County Home Economics meeting at Orchard City Grange Tuesday. The local group will sponsor a food sale in Campbell this Saturday in the store adjoining Field's Fine Foods. Next Home Economics meeting will be at the home of Lucille Hoerler, 80 N. First Street, Campbell.

Morrill announced that the county fair committee will meet at the home of Wesley Youngclaus on May 4 at 8 p.m.

Secretary Herbert Shadle said Governor Earl Warren and California Grange Master George Sehmeyer would be speakers at the dedication of Leroy Anderson Dam, held Wednesday afternoon.

San Jose Elks Club sent an announcement of Flag Day ceremonies for Thursday, June 14. The parade will begin at 7 p.m.

POLICE PROTECTION DISTRICT BILL RE-AMENDED, PASSED BY ASSEMBLY

The State Assembly passed amended AB 1739, on organization of police protection districts in unincorporated towns Wednesday morning. Assemblyman Charles S. Gubser of the 29th district, has announced and the bill is on its way to the Senate where he anticipates no trouble in securing passage.

Gubser sponsored amendment and reamendment of the controversial bill which now provides that formation of such a district shall be by election, after presentation of a property petition to the board of supervisors.

Originally the law provided that such a district must be established by the board upon presentation of a petition signed by 50 property owners of the proposed district. It did not call for an election in the proposed district to determine whether the district shall be formed.

An attempt was made last year to form a police district in Campbell under the previous law, but action was postponed by the board on petition of opponents of the move who held the law to be ambiguous and a denial of the right of other residents in the proposed district to have a voice in accepting or refusing such a formation.

The reamended bill provides that the election to determine whether the district shall be formed, shall also provide for election of three commissioners who shall serve as the first district board. Areas contiguous to an established district and not part of another police district, may be annexed to a police district by petition and election.

Woodcock Station Grand Opening Next Friday

Woodcock's Richfield Service, new modern station at the corner of Winchester Road and Rincon Avenue, will have its grand opening next Friday, May 4, at which time residents are invited by owner Charles W. Woodcock to visit the Richfield establishment. Special events will be offered during the day.

William O. Fowler, manager of the new Campbell business, has been associated with Richfield since 1945, and both he and Woodcock are local residents.

Advanced lubrication equipment and complete service facilities are features of the station which carries the full line of Richfield "Years Ahead" petroleum products famous for performance and economy, and Goodyear tires, batteries and accessories.

Retailers Must File Price Charts

The deadline for retailers of consumer goods to file their pricing charts under Ceiling Price Regulation 7 and Amendment 2 to CPR-7 has been extended until May 30, the Office of Price Stabilization announced today.

No extension of deadlines was granted retail grocers who must file OPS Public Form 5 by April 28 or to restaurateurs who must have their statements in the OPS District Office by April 30.

"All retail stores selling clothes, shoes, furniture, yardage and other consumer goods are covered by Ceiling Price Regulation 7 which required them to file their price charts with the OPS District Office on or before April 30," OPS officials said. "On April 10, CPR-7 was amended to include hundreds of additional items ranging from notions to television sets. Many store owners complained that it was physically impossible to meet the deadline on items covered by the regulation and the amendment, so a thirty-day extension was granted."

Pricing charts set ceiling prices and provide the basis for "marginal" type markings which limit the profit retailers may make on any item covered by the Regulation and the amendment, it was further pointed out.

Charity Lodge Has Observance For School Week

Members and friends of Charity Lodge 362 assembled at the Odd Fellows' Hall Monday evening to commemorate Public Schools Week, which annual observance was instituted by the Grand Lodge of California shortly after the close of World War I. "At this time," the lodge officers stated, "the lodge rededicates its members to the support of our public schools—the medium by which our democratic form of government is perpetuated."

Dinner in the reception hall preceded a program by W. C. Henley and Laurence J. Hill, superintendents of the Campbell Elementary and High School districts respectively. Kenneth Wallace, high school drama instructor, directed the program in which his high school students recorded a dramatic presentation, "Samuel Adams," of revolutionary war background, which will be broadcast later by Radio KEEN.

Dr. J. F. Snyder Heads Medical Defense Activities

A medical services branch became an official unit of the county Civil Defense organization last week by action of George Payne, county coordinator, in naming Doctor J. Frederick Snyder of Campbell to officially head all such activities.

The responsibilities and services that such a unit would assume in the event of actual enemy attack have been detailed in local plans developed recently by the Civilian Defense committee of the Santa Clara County Medical Society.

"The medical services will now become an official branch of the county's C.D. setup," Payne said. "It will consist of services involving first aid care, ambulances, hospitals, doctors, nurses, dentists and pharmacists, and will concern itself with the matters which do not fall under the jurisdiction of the public health branch. The public health branch will still maintain and control the sanitation, disease prevention and similar health department services," Payne said.

For the past four months, Doctor Snyder has been working in close cooperation with Doctor Dan Brodovsky of San Jose, who will continue to chairmen the medical society's civil defense committee. Doctor Brodovsky stated today that more than 50 percent of the society's membership had already been assigned specific posts which will now come under Doctor Snyder's general supervision of all medical services. In the event of an enemy attack locally, every physician, dentist, nurse and pharmacist will be needed for immediate duty Doctor Snyder said today. As development progresses, specific assignments will be given to each such trained person known to reside in the county, according to Snyder.

Talent Contest For Area Students

Students attending Santa Clara County schools talented in the entertainment field, are being sought by the San Jose Exchange Club.

Following the exchange club's policy of affording young people the opportunity to express themselves in the field of sports, arts and sciences—a talent search contest is being conducted April 23 to May 20, in quest for outstanding student entertainers.

Contest winner will be awarded an array of prizes, guest appearances on radio-night club and TV programs. He also will receive a vacation at Hoberg's resort, where he will appear at the state convention of the exchange club.

Only county school students, ages from 6 to 18 years of age are eligible to enter the contest. Application blanks can be obtained at all radio stations, newspapers, schools, recreation departments, theatres and music stores.

Auditions will take place at Radio KEEN, beginning May 1.

Festival Held At Campbell High

Campbell Union High School was host to the fifth annual Santa Clara County High School Band Festival Wednesday afternoon and evening.

Three hundred of the high school musicians participated in a 5 p.m. parade up Campbell Avenue, after which they massed on the high school lawn to play combined numbers under direction of Forrest Bair, San Jose State College music department faculty member.

During the evening the bands presented individual selections in the school auditorium with Bair serving as adjudicator.

Bands and their directors here for the event were: James Lick, William Baker; Fremont, Merrill Knighton; Santa Clara, Gailord Chamberlain; Mountain View, Lyle Campbell; Los Gatos, Orrin Blatner, and Campbell, Willard LeCroy.

Court Dismisses Manslaughter Case Of Tompkins

Manslaughter charges against John Lee Tompkins, N. Harrison Avenue, Campbell, were dismissed in Superior Court this week on motion of the District Attorney for lack of evidence.

Tompkins was charged with manslaughter in the death of Carl Oscar Kampe on January 13, when Kampe reportedly walked into the side of Tompkins' car on San Jose-Los Gatos Road near Moorpark Avenue.

Attorney Martin S. Walsh of Campbell represented Tompkins in Superior Court.

Dumping Fines For SJ Pair

Delos D. Whaley Jr., and Allan Sink, both of San Jose, paid \$50 fines last week following their conviction on charges of violating county dumping ordinances. Justice of the Peace Martin S. Walsh of Campbell fined the two.

Whaley was charged with throwing a dead cat in Los Gatos Creek in violation of County Ordinance 35. Sink was fined for throwing out a box of garbage and trash at Eden Avenue and Williams Road.

Legion Post Elects Nominating Group

A nominating committee was elected Wednesday night for purpose of selecting candidates for office of American Legion Post 596 of Campbell.

Cities Sponsor Bills to Force Annexation; Supervisor Says Vicious Legislation Deprives Urban Areas Of Services

An attempt by the League of California Cities to force periphery areas to annex to cities is seen by Fourth District County Supervisor Joseph M. McKinnon in two bills now before the State Legislature.

In an address Tuesday night to Orchard City Grange of Campbell, McKinnon termed Senate Bill 769 and Assembly Bill 3217, pertaining to urban unincorporated areas "vicious."

"The legislation, if passed, he said 'would affect a fundamental change in the County Government Act and completely emasculate county government as we know it and as it pertains to the constitutional obligations imposed upon the board of supervisors in performing services for the taxpayers of the county with respect to health, welfare, police, fire prevention and other county services.'

Briefly, the legislation proposes that any unincorporated county territory consisting of a minimum of one square mile in area having a minimum population of 300 persons, and which said area consists of parcels of land not more than five acres each, by order of court, be declared an urban unincorporated areas.

Prohibits Service

"The Board of Supervisors thereafter would be precluded from rendering the following services in said areas, to-wit: (a) police protection, crime prevention and police patrol; (b) structural fire prevention and protection; (c) community playgrounds and parks; (d) sewer construction, improvement, maintenance and repair; (e) local street or road construction of a standard higher than comparable work on rural farm roads, and (f) other similar local services or functions not performed generally on a county-wide basis but provided by special districts or cities. Unless the Board of Supervisors, after March 1, 1953, levies a special tax on all taxable property within the urban unincorporated area in an amount sufficient to pay all costs of the services hereinabove described. In the event the supervisors did not impose such tax, the services mentioned could not be rendered in the area by use of the general tax monies.

"This bill would permit 25

to be received, Feit and co-chairman G. E. Jeffers said. Feit termed success of the drive "a real tribute to the splendid co-operation of the workers as well as the residents in our area who so generously contributed."

"Of the workers, special mention must be made of the outstanding work done by the following sectional chairman: Mrs. R. A. McKee, Moorpark Parent-Teacher Association; Red Cross chairman; Mrs. Ruth Wetterstrom, Moreland PTA Red Cross chairman, and Mrs. J. D. Edgmon, Cambrian PTA Red Cross chairman."

"Also deserving of mention," he added, "are two of our local people who for several years have sponsored this program. They are Mrs. Ethan Lanphear and Mrs. A. E. Brydon. Of course our old, ardent standby, Guy Farley, must not be forgotten. For years he has lent his office and personal effort to this worthy cause."

Feit expressed regret that shortage of space prohibited further mention of "the many highly spirited workers who contributed so vastly to our success. In reaching our goal we have accomplished what many adjacent communities have failed to do."

In conclusion, Feit and Jeffers said, "We wish to personally express our thanks to the Campbell Press for its fine publicity given us each week, also to thank all who helped in this drive, namely the workers and contributors. Their actions are proof of their realization that our Red Cross is truly an angel of mercy, ever ready and willing to help all in distress."

or more taxpayers who, under the terms of the bill may not necessarily reside within the area nor be other than possibly taxpayers who pay gasoline or sales tax or any tax, to petition the Board of Supervisors or a city to take court action to declare the area an urban unincorporated area.

"The city or the Board of Supervisors, as the case may be, would then be required to file a petition in court, and the property owners in the area would, for all practical purposes, be precluded from having their so-called 'day-in-court' for the reason that, under the terms of the bill, the court is without discretion as to the granting or denying of the petition so long as the petition meets the minimum requirements set down in the Act."

McKinnon predicted that the bill, if passed, would create extremely complex problems of police protection and detection of crime in such areas, a problem of the jurisdiction of the sheriff in such areas, and would undoubtedly involve countless suits by way of clarification.

Board Denies Tilson Zoning

Planning Commission decision denying Lionel J. Tilson and Philip Sanfilippo necessary rezoning for erection of a shopping center in the gore of Quito Road and Saratoga Avenue, was upheld Monday by the County Board of Supervisors in a 3-2 vote.

Denial of the appeal was based on lack of proper drainage area for the proposed septic tank system which would serve the shops, also on grounds that a shopping center at the intersection would create a traffic hazard.

Will Honor Project Leadersn Day Next Thursday Will Project Leaders Of Various County Units

Lifelong learning in the field of homemaking is available to hundreds of women in their own communities through the activities of volunteer teachers participating in the Agricultural Extension Service Home Demonstration program. These volunteer teachers are called project leaders. Project leaders are homemakers who believe in education and who volunteer their time to help other women learn how to better their homemaking.

Project leaders bring the University of California homemaking program to ranches and homes in every part of Santa Clara valley, plus helping homemakers with slip covering, upholstery and tailoring. They also give demonstrations to their community groups every other week.

To obtain their information, project leaders attend special training meetings given by the home advisors. At these meetings they learn what's new and how to present it to their groups. Project leaders also receive university bulletins to distribute to their local groups.

According to Home Advisor Winifred Jecker, the homemaking program in Santa Clara County is an ever-expanding one because of the activities of the project leaders. Through their efforts, hundreds of women can keep up to date on their homemaking.

Project leaders have supervised the making of nearly 100 coats in the past nine months. Those who attended the original coat school last summer have conducted coat making sessions since that time.

PROJECT LEADERS

In Cambrian District this year project leaders have been Mesdames Frank Oldham, Malcolm Blue, T. W. Ashby, Harlan B. Herbert, Clarence F. Helmbold, J. O. Dohoney, Charles Mitchell, Max Nigl, Elsie Baldinger, James De Lauder, George Petrea and H. C. Gilbert.

The group chairman and officers are Mesdames Zeno Hallett, Henri Quetin, Rene Montrezza, Herbert Gilbert, Frank Oldham and Malcolm Blue.

HOME DEMONSTRATION DAY

To honor project leaders and acquaint newcomers to this area with the Agricultural Extension Service program, a Homemaker's Forum will be held in Los Gatos Union High School and in the American Legion Hall nearby on Thursday, May 3. Program will be presented in the auditorium of the high school at 10:30 a. m. and 1:30 p. m.

Eleven continuous demonstrations will be presented by project leaders before and after the program and during the noon hour in the American Legion Hall. These demonstrations will include streamlined sewing, quick buttonholes, easy zipper, short-cut ironing, tailoring tricks, pressing aids, first aid to ironing cords, wrapping for freezing, and others.

To encourage young mothers to attend, free child care will be provided for children over two. Competent personnel will be in charge, and the children will be cared for in the Methodist Church adjacent to the high school. Mothers are asked to bring a lunch for the child, a simple toy, and a small blanket. The child and his equipment should be labeled.

The balcony of the auditorium is reserved for mothers with children under two years of age.

Registration will start at 9:30

a. m. to allow time to visit the exhibits. The afternoon program will be over at 2:30 p. m., but the demonstration will continue until 4 p. m.

Speaker of the day is Director J. Earl Coke of the Agricultural Extension Service. His topic will be "The University Knocks at Your Door."

The morning program will feature a skit and a fashion show. Mrs. Rene Montrezza, chairman of the fashion show, states the women will model coats, dresses, and accessories made by short-cut extension methods.

Mrs. H. R. Sherman, of the Los Altos group, is in charge of the skit. Mrs. Remely Weeks of Willow Glen is chairman of the day, and Mrs. Meredith Shattuck is county chairman.

Lunch will be picnic style on the lawn of the high school or indoors in the legion hall should it rain. Picnickers are asked to bring blankets and pillows to sit on. Music and a fashion parade will be features of the noon hour.

All homemakers are invited to visit the exhibits and demonstrations in the legion hall and to attend the program in the auditorium of the high school. There is no charge for any of the program.

Home advisors in Santa Clara County are Mrs. Winifred Jecker and Mrs. Patricia Larson Slijk. The Agricultural Extension Service office is located at 201 Post Office Building, San Jose.

THEODORA JOHNSON

Mr. And Mrs. Louis J. Ferrari Jr. To Make Their Home In San Jose

Mr. and Mrs. Louis John Ferrari Jr. (Barbara Jean Musler) will be moving into their new apartment on Lenzen Avenue, San Jose, this weekend. The couple exchanged wedding vows on April 22 in a 3 p.m. ceremony at Holy Family Church, where the Rev. De Lucci conducted the service.

Given in marriage by her father, Mr. Theodore Musler of Campbell, the bride was attired in a white slipper satin wedding gown, entrain, styled with gathered waist, lace overskirt and roll-back collar. Her fingertip veil of lace and net was held by a coronet of braided lace. She carried a white orchid with spray of bouvardia on her white prayerbook.

Mrs. Howell Conley, sister of the bride, was the matron of honor. She wore an orchid satin gown with net overskirt. Her headpiece was a braided coronet of satin and net, and she carried a bouquet of orchid carnations.

Bridesmaids were the Misses Norma and Marjorie Musler, sisters of the bride, Annette Curci and Lucille Ferrari, sister of the bridegroom. Norma and Annette were attired in yellow lace and marquisette gowns styled like that of the matron of honor, and their bouquets were of aqua carnations. Marjorie and Lucille were in aqua gowns and carried yellow bouquets.

Manuel Souza was the best man. Guests were escorted by Joseph Musler, Ernest Battu, Joseph Johnson and Robert De Vincenzi.

Mrs. Theodore Musler chose a blue silk print dress with white accessories, and Mrs. Louis John Ferrari Sr., mother of the bridegroom, was attired in a grey silk crepe dress with navy accessories. Both wore corsages of pink camellias.

Laurel Musler, sister of the bride, wore an orchid frock for her role of flower girl, and she carried a basket of orchid sweetpeas.

Over 300 guests attended the wedding reception at Alpine Park where the couple cut a three-tiered wedding cake. When the newlyweds left for their honeymoon in Santa Cruz, the new Mrs. Ferrari was wearing a navy blue dress topped by a dusty rose linen duster, and accented with navy accessories. Her corsage was a white orchid.

The bride was a member of the Campbell Union High School class of '49, and has been employed in San Jose. She was the first Old Settlers' Day Queen here in 1949. Her husband, now with the Army at Fort Ord, attended San Jose High School. He is the brother of Harold Ferrari, with the U. S. Air Force in Illinois, and Miss Lucille Ferrari. His parents are the senior Mr. and Mrs. L. J. Ferrari of Winchester Road.

Spears-McCarthy Nuptials Planned For July

A July wedding is planned by Miss Jeanne Spears, Campbell Union High School graduate, and Frank J. McCarthy Jr. The couple will establish their home in Los Altos after the wedding.

The future bride is the daughter of Mr. and Mrs. James Spears and is employed in Sunnyvale.

Mr. McCarthy's parents are Mr. and Mrs. Frank J. McCarthy of Campbell. He received his degree in engineering from the University of Santa Clara, and is employed by a local firm.

Mary Fulwider, James Gessner To Be Married

Miss Mary Fulwider, teacher at Cambrian School, will become the bride of James Gessner of Sacramento in June. She is the daughter of Mr. and Mrs. Claude Fulwider of Maricopa.

The future benedict will receive his degree from San Jose State College this June. His parents are Mr. and Mrs. Frank Gessner of Sacramento. The bride-elect is an alumnus of San Jose State College.

St. Lucy's Club

St. Lucy's Women's Club will have a special mother's day program at its meeting on Thursday, May 3, at 2:15 p.m. in the library building.

Hostesses will be Mesdames John Daniels, Will Lewis, Ira Grim and John Triguero.

It makes your dollars talk great good sense!

When you look at the times we live in . . . and then take a look at this new Chrysler Windsor . . . you might almost think we'd had advance information and special-built this car just to fit these times!

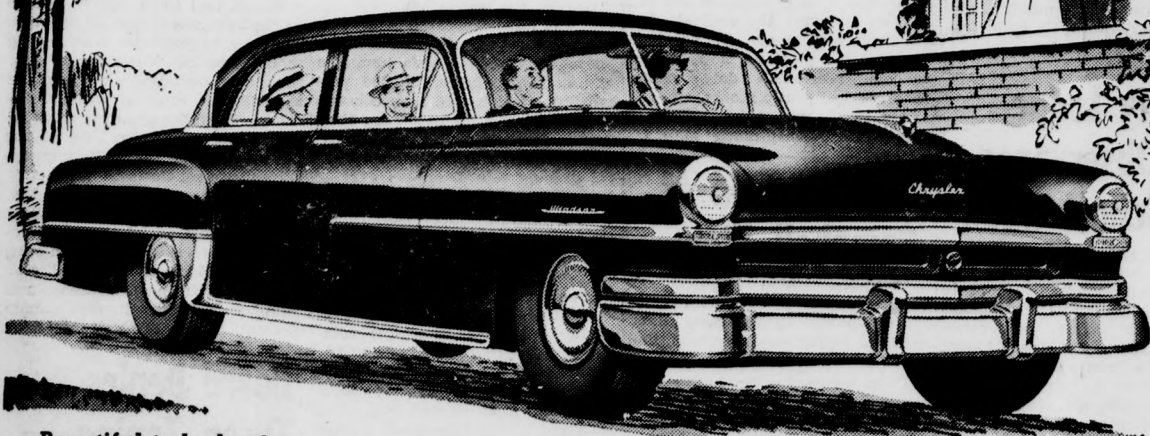

Certainly it treats your hard-earned and tight-stretched dollars with a respect that's hard to find in a good many things you buy!

To begin with, the Windsor line is the *least-priced* of the three lines of cars we build at Chrysler. To buy one gets you all the basic goodness Chrysler engineering means, at the *very lowest* cost. That's good sense in itself.

In powerplant, your Windsor brings you Chrysler Spitfire . . . one of the truly great engines in the whole bright history of America's motor cars. Time-proved and owner-beloved, it would be hard to put your money on a sounder friend than this to live and travel with you through the months ahead!

As to comfort, Windsor brings you the amazing travel bonus all Chrysler owners get this year . . . the revolutionary new Oriflow shock absorber. With more than twice the shock-absorbing power of any other in the world, this amazing new device keeps wheels steady on the road, and riders steady in their seats.

As you can see, it is no idle claim that this car makes very special sense in these unusual times. But why not get the whole good story at first hand? Why not go see your Chrysler Dealer, *very soon?*

MR. GEORGE S. ROBSON will embark at Los Angeles aboard the Pacific Fortune next week for an indefinite stay in the British Isles and on the continent. This will be his first return visit to his native England since he and the late Mrs. Robson came to Campbell in 1901. After a month-long sea voyage, Mr. Robson will disembark at Manchester. He will make his headquarters in West Hartlepool, the city where he spent his youth, in the north of England. He plans to travel extensively in the British Isles and will visit the R. A. Shearers, formerly of Campbell, now living in the south of England, and Mr. and Mrs. F. V. P. Parrott, another former Campbell couple, in the north. Mr. Robson will renew acquaintance with a sister whom he has not seen in 50 years, and two brothers, who last visited this country in 1910. He does not expect to return to Campbell for at least six months.

MRS. ROY STONER and her

daughter, MISS KAY STONER, are two more of the many Campbellites planning trips to Europe this summer. They will sail from San Francisco on May 13 aboard an Olsen freighter bound for Norway. They will be gone about four months during which time they will travel to Sweden, Denmark, Switzerland, France, Italy, probably Spain and definitely Germany where they will be guests of Mrs. Stoner's relatives. Miss Stoner will be a member of the 1952 graduating class at Campbell Union High School.

MR. AND MRS. CLARENCE E. GOODRIDGE have sold their home at 2611 Esther Avenue to MR. AND MRS. HERBERT GARD from Evergreen, and have moved to King's Beach, Lake Tahoe. The Goodridges resided here in Campbell for the past six years. Mrs. Goodridge was born and raised here. Their son, GEORGE, has enlisted in the U.S. Air Force and is receiving training in Vermont. The Gards have been frequent visitors in Campbell, and Mr. Gard's parents, the late Mr. and Mrs. Joseph Gard, established their home here about 50 years ago.

Mr. and Mrs. Goodridge were honored at a surprise farewell party Thursday evening by 25 of their neighbors who gathered at the home of Mr. and Mrs. E. T. Cline. The group enjoyed parlor games and refreshments, and presented a gift of camping equipment to the departing duo.

In the Evangelistic service at 7:30 p. m., "The Hope of Glory!" is the topic. Singing, inspiration, testi-

TV Application To Be Made

San Jose Television Broadcasting Company, San Jose, will file an application for a commercial television station for San Jose.

The new company under the presidency of Patrick H. Peabody, owner of Radio Station KSJO San Jose, and newspaper publisher, will file with the FCC for use of San Jose's proposed television channel number 11. This channel is within the range of present day receivers and will enable viewers to receive telecasts immediately upon the station's start of operations.

San Jose Television Broadcasting Company has set aside a sum of upwards of \$500,000 for this venture.

mony, Bible exposition, mark the service.

Young people's meeting, Sunday at 6:30 p. m.; Prayer Hour, Wednesday at 7:30 p. m.

Officers elected are Patrick H. Peabody, president; Charles F. Mallory, vice-president and general manager of Station KSJO, and Joseph P. Ferruci co-owner of the Mayfair Packing Company will serve as the vice-presidents; co-publisher of the Gilroy Dispatch, Joseph C. Houghteling, is treasurer; D. C. Kirby, San Jose attorney, will act as secretary.

Edward Schnerr Services Held

Edward Thomas Schnerr, 39, husband of Derfla Schnerr, 329 Glen Una Drive, died Monday evening, April 16, in a San Jose Hospital without regaining consciousness after he was injured that morning in a rear-end collision at the junction of Quito Road and Saratoga-Los Gatos Road.

Funeral services were conducted last Thursday, April 19 from the Melvin Mortuary Chapel, Los Gatos. The Rev. Gordon L. King of the Saratoga Federated Church officiated. Interment was at Los Gatos cemetery.

Pallbearers were Charles Berryman, James L. Countryman, Ray J. Lahey, J. Cecil Hooton, Ed Neuroth and Lyman Feathers.

Mr. Schnerr is also survived by a daughter, Mary Elizabeth Schnerr of Campbell; step-son, Alexander Singleton, Los Gatos; sisters, Mrs. Margaret Elrod of San Jose and Mrs. Eleanor Finn of Santa Cruz.

He was a rancher, succeeding to the business of his late father, Edward Schnerr Sr., and operated a large ranch near Truckee. Schnerr graduated from Los Gatos Union High School, and was a member of the graduating class of 1934 at the University of Santa Clara. He was prominent in baseball at both schools. He was a native of Sacramento, but lived in this vicinity practically all of his life.

SIMPLEST CONTROL

We've heard tell how complicated it was setting up some of these price control regulations ... how many tons of paper, how many man-hours and lots of other amazing figures.

But now it seems like the best control was figured out by the housewives who do the buying. The idea isn't complicated and we understand it didn't take long to develop, either. Just take meat prices, for instance. When steak or hamburger gets too high all the ladies have to do is stay away from meat counters until prices come down.

Anyhow, that's the way it's working in some places, according to the American Meat Institute. They say New York reports pork loin roasts, porterhouse steak and some lamb cuts have "dropped to pre-Korean levels."

Of course, the best part of this kind of price control is that it doesn't cost a cent to set up and keep in operation!

WHY NO ADVERTISING?

We've been getting all kinds of phone calls lately asking whether we still have the Grab Bag. Our answer is yes ... positively! But for the last ten days or so we haven't been advertising. So I guess folks began to think we ran out of meat.

Well, here's what happened. For a year now our business has been getting bigger so fast we just had to stop and sort of catch our breath. We're still at 40 North Fourth St., San Jose glad to have new business, though. But we want to be able to keep right on giving you folks big values and top notch service. So that's why we had to stop running our ads. You'll see them again before long, though.

BARBECUE COMING UP?

How about a barbecue? The weather's just right to enjoy a thick, juicy steak roasted over an open fire. We know that's a fact because so many of our friends are calling up to give us their orders. These folks remember the good barbecue meat they got at Western last year. So now they're back for more of the same.

LAST WEEK FOR SHIRLEY

Most of you folks know Shirley Britt down here at Western. She's one of the pleasant young ladies who try to do everything possible to make your shopping easier. Shirley is leaving this week and we thought maybe you would like to say goodbye. After a summer at Tahoe, she heads for Sacramento where her folks are moving soon. We're really going to miss her ... and we know our customers will miss her even more.

Nature School Sessions Set At Mountain Resorts

Three of California's popular mountain resorts have been selected for the fifteenth annual summer sessions of the West Coast Nature School, according to an announcement from San Jose State College. They are the Mendocino Woodlands in Mendocino County, where the school will be held from June 17 to 23; Sequoia National Park, where "classes" will open June 24 and close June 30; and Idyllwild in the San Jacinto Mountains, where the final week's session will be from July 1 to 7.

All instructors in the West Coast Nature School are present or former members of the natural science department faculty of San Jose State College. Director of the school is Dr. P. Victor Peter-

son, new president of Long Beach State College, Registrar is Dr. Gertrude Witherspoon Cavins of San Jose. Other instructors in 1951 will be Dr. Carl Duncan, Dr. George A. McCallum, Dr. Carl Sharsmith, Dr. Arnold Applegarth, Dr. Matthew Vessel and Dr. Wayne Kartchner of San Jose and Dr. Robert D. Rhodes of Long Beach. Students interested in all phases of nature study may enroll for any one or all of the three one-week sessions. College credit is given to those enrolling in the school. Full information concerning the school may be obtained by writing to Dr. Cavins at San Jose State College.

How to make good telephone service even better...

Your 'information' operator is on the job to serve you ... with numbers not listed in your directory. And smart telephone users call her only when they don't find the number they want in the telephone book. Why, they say, make two calls when one will do?

Why not keep a list of Long Distance numbers too?

Wonder how many long distance users have discovered that a list of the out-of-town numbers they call can be a mighty handy thing. Saves time, you know, if you place your call by number rather than just by name and address. So, next time you call, why not jot down the number of the person you're calling when your long distance operator reports it to you ... and start your own long distance number list?

Lots of people spend lots of time designing your telephone set for both beauty and efficiency. Gadgets and attachments only clutter up its clean lines ... and perhaps impair its efficiency.

Buc Track Squad Faces Washington Today; Kaeding Posts Another Mark

Campbell High's powerful track and field team, knocked off the high throne of local cinder supremacy by Mt. View last week will try to assume the winning ways this afternoon. Coach Junior Morgan's charges tangle with Washington High on the local oval at 3:30 o'clock.

Either those cake awards went to the Bucs' stomachs or their past achievements went to their collective heads but anyway you slice it the Mt. View squad dealt a 62 1/2 to 59 1/2 loss to the local varsity last Friday on the Indians' home stamping grounds.

Campbell's B and C squads followed suit by dropping dual tussles to their Indian counterparts, 68-45 and 51-44, respectively.

It remained for the comparatively tiny D team to salvage any local victory by nipping a 43 1/2 to 42 1/2 win.

Although not offering any alibi for the Bucs' mediocre showing, Coach Morgan revealed that Jack Bray, star 880 man, did not run in the Mt. View meet due to blood poisoning. Dan Livesay, the Bucs' best 220 man was pulled from the event because of an increasingly sore ankle. He did enter and win the 440-yard race in :54.5.

Morgan said that both men will compete this afternoon. The meet provided only one local double winner in the person of Howard Kaeding, one of the smoothest hurdlers in Northern California.

The lanky Buc captured the 120-yard highs in :15.3 and came back a few minutes later to annex the 180-lows in :21.1, a new school record. This mark earned him another home-baked cake from Coach Morgan. The cakes are given to all trackmen that better Valley, school, or individual records of any kind. Kaeding is now eating his fifth cake and from all indications many more are on the way.

CASTRO HELD TO ANSWER TO CHECK CHARGE

Ben Raymond Castro was held to answer charges of issuing a fictitious check on Horace's Grocery Store, Campbell, when he was given a hearing Wednesday by Justice of the Peace Martin S. Walsh of Campbell.

Sheriff's officers arrested Castro for the check charge of January 24, 1950. He was bound over to Superior Court on \$2,000 bond.

DIAMOND DOPE . . . During pre-season practice Campbell High baseball Coach George Miskulin painted a pessimistic picture in describing his charges' chances in winning a few games this year.

With the schedule drawing to a close (six contests left to play) we sought out the ex-San Jose State diamond star during our weekly visit to the Campbell Avenue education plant.

We knew that Miskulin was half-teacher and half-coach but we didn't expect to chat with him in both environments at once. It so happened that he had a biology class as we arrived at the gym. Since his class was viewing some movies on grasshoppers and butterflies we were able to chew the suet (not fat, Mr. Printer, Mr. M. is a bit educated) in the corner of the lab.

The amiable mentor was the first to admit that the club was far from championship caliber. The lowly standing in the SCVAL race stands out as shocking proof. The entire seasonal record reveals about a .500 brand of ball, although some of it very good. Coach George was quick to point out that the Bucs possess a 5-4 win over Palo Alto High, current leaders in the P.A.L.

While visually reprimanding a window-gazing student and giving a word or two of advice to the projectionist, the then-teacher but now-coach summed up his club in one

sentence, "if we had any pitching we'd be a strong team."

Before we proceed we must clarify that statement. Coach knew from the start that his chukkers would be the weak point. What can you expect from a five-man staff composed of a freshman, sophomore, two juniors and a senior? Between them they don't have one-fifth of the experience necessary to carry them through a close game. Experience can be attained only by pitching, pitching and more pitching under the watchful eye of a capable coach.

But if he is disappointed (and he has no reason to be) Miskulin doesn't show it. For in Ron Bacon, Jim Probst, Don Lane, and Don Bretlinger, Campbell has a quartet of moundsman that will assert itself in a year or two. All those knocks and lumps received in '51 will prove beneficial come '52-'53.

Switching the conversation to the rest of the team, Miskulin agreed that he has a fair hitting team as well as a capable defensive ball club. "Yes," he nodded, "hustle has much to do with it." But unlike other coaches, he supplants hustle with what he calls "self-confidence."

"It is my firm belief that an individual with determination and self-confidence can lift himself rapidly off the bench into a key position on any team." Miskulin granted that some athletic talent must be present. But this air of self-belief can and will elevate a player to a starting berth.

"We have a prime example right on the Buc team," Miskulin added, "in the person of Stan Gazay. Last year he couldn't buy a hit wholesale and his fielding suffered accordingly. But this season, Stan firmly believes in his ability and talent to such an extent that not only is he holding down first base for us but his batting has

made him one of the leading hitters in the SCVAL."

The lanky, dark-haired first sacker is hitting at a .389 clip in league play to rank seventh in the top ten. He has collected seven safeties in 18 times at bat.

Another Buester holds down fourth spot in the SCVAL hit parade, as of last week. He is Johnny Perata who his hitting to the tune of .444, four out of nine. Larry Periera, another Buc outfielder is pressing his teammates with a .375 average.

Shades of Dr. Tracy . . . Not only did we get ample material for this week's column plus added interest in the baseballs but we learned how the Monarch butterfly lays its eggs on the dorsal side of milkweed plants. A few more of these educational interviews and we can put in for our Master's degree in cocoon spinning; cum larvae.

SHORT STOPS . . . Seems that Buc football talent is spreading to all corners of the state HAROLD TAYLOR, former all-SCVAL center from Campbell, is considered a good bet to make the UCLA varsity this fall. Now busy with spring practice, TAYLOR was regarded as the Bruins' outstanding freshman player last season. . . MINO YAMATE, star on many of Campbell's prep tennis teams, is displaying the same brand of ball for SANTA CLARA University. He won the Broncos' only match against SJS recently. State has lost but two matches this year, one to CAL and the other to UCLA, who in our book, will take the national collegiate title this year.

Tennis Team Set

Undeclared in SCVAL competition, Campbell High's flashy tennis team prepares itself for what is expected to be show-down for Valley honors with the Los Gatos High Thursday.

Coach Harold Drummond's squad, owners of an over all seasonal record of eight wins as against one loss, travels to the coast Tuesday afternoon to play Santa Cruz High.

Then it returns to the local courts Thursday at 3:00 p.m. to battle the Wildcats, unbeaten at this writing.

In a non-league match Wednesday, the Bucs blanked Willow Glen High, 3-0, in a meeting curtailed by rain.

Not a set was dropped in the first two single matches as Dave Baxter defeated John Differding, 6-3, 7-5 and Tom Barton drubbed John Cowden, 6-3, 6-4.

Something new was added to prep tennis circles in the third match as Jim Heaton faced Willow Glen's Miss Ellen Bailey, first female to play SCVAL tennis, the male variety that is.

Miss Bailey copped the opening set, 6-18, as Heaton couldn't outvolley his prettier opponent.

But in the second set the Buester increased the tempo to gain a commanding lead to win going away. Match score was 6-8, 6-2, 6-2.

The first doubles match was ready to begin to play when the clouds got the drizzles, washing out any more play for the day.

Firepower Engine To Be Displayed

Varner's Garage, Los Gatos Rd., Saratoga, will have on exhibit this Saturday and Monday a working model of the Chrysler Firepower 180 horsepower engine.

The cutaway engine, to be demonstrated all day April 28 and 30 in the Varner showroom, shows the hemispherical combustion chamber; overhead lateral valve arrangement; central location of spark plug; free flow of gas into, and exhaust gases out of the cylinder; and other design features which make this engine so outstanding.

Chrysler's New Yorker and Imperial auto models have the Firepower engine which is capable of speeds well in excess of 100 miles per hour. Despite its abundance of power, it has amazing fuel economy.

THANK YOU, FRIENDS OF ORGANIZED LABOR

for your invaluable support of the Picket Line we have maintained on the Blue Bell Restaurant in Campbell. It is very gratifying and heartwarming to know that we have so many friends in the Campbell area who believe in Organized Labor and depend upon Organized Labor for their Fair Standard of Wages and Working Conditions, in earning their livelihood. Only through Organized Labor has this been made possible.

The following establishments in the Campbell area are Union Houses and worthy of your support and patronage.

George S. Koss, superintendent of Columbia Steel's cold-reduction plant at Pittsburg, California. Koss needs five giant electric motors to power Columbia's 3500-ton monster that produces 450 tons of precious, cold-reduced steel every 8 hours. To steel plants P. G. and E.'s ample electric power is vital.

Plenty of power for production... and some of those who created it

Last year 368 new, large industrial and commercial users were connected to P. G. and E. lines—including oil refineries, steel fabrication, chemical plants—the very sinews of American industry. Their power needs were met, with ample reserve to spare.

By summer our post-war construction program will have doubled our 1945 capacity.

All this took planning ahead and prompt action by many people. And as industry expands, P. G. and E. is ready and will continue to be ready with the power...and at rates among the lowest in the nation.

Through their investment we have been able to build the dams, power plants and miles of transmission line it takes to provide ample power for Northern and Central California.

SERVICE NOTES

Spanish-American War Veterans
Spanish-American War Veterans in Santa Clara County have been offered the assistance of the Santa Clara County Veterans Service Office in establishing their eligibility for free out-patient treatment for physical disabilities or diseases.

In most cases the veterans entitled to out-patient care under the terms of a law enacted last year have been supplied with the basic eligibility document, a form letter (FL 10-95) issued by the Veterans Administration in Washington, D.C., John W. Davis veterans service officer, said.

The choice of the proper office to which this form letter should be sent, and the additional paper work that may be involved in actually qualifying for treatment either by a government physician or by a local physician treating veterans on a fee basis are among the matters on which the veteran would do well to seek counsel, according to Davis.

At the time the Spanish American War veteran calls at the Santa Clara County Veterans Service Office, 215 North First Street, San Jose, with his out-patient treatment letter, he may also register essential information about himself and his military service for possible later use in the filing of claims.

Miss Hill, assistant service officer, is in Mountain View every Tuesday from 10 a.m. to 12 noon, at the city hall, and in Palo Alto Tuesday afternoons at the employment office from 1:30 to 4:30 p.m. Davis is in Morgan Hill every Thursday morning from 10 to 13 noon at the city hall and in Gilroy at the employment office on Thursday afternoons.

COINCIDENCE
A chance meeting on a highway near Sunnyvale brought another meeting in mid-Pacific for a young G. I., and the coincidence may have helped the soldier to bridge the mental distances between a peaceful home and war in a strange land.

Early last February Mr. and Mrs. A. J. Bravo of Campbell picked up a hitch-hiking soldier on the highway near Sunnyvale. While the three drove along, they chatted and exchanged addresses, then the young G. I. left the couple to catch another ride. He was with the 40th Division stationed at Camp Cooke.

Recently, when the Camp Fire Girls were selling candy to raise funds for their activities, Mrs. Bravo bought some and shipped it to the soldier.

Saturday, the Bravos received a letter of thanks from the soldier who was on his way to Japan. He thanked them for the candy which he had shared with fellow soldiers, and told of a coincidence on board the transport to Japan.

There hadn't been much for the soldiers to do aboard ship. Their principal recreation was reading the magazines distributed to them. The soldier, Pvt. Thurman J. Nichols of San Francisco, received a copy of the Reader's Digest and, when he opened it, read on the inside cover the following inscription, "Compliments of 'Lita' Camp Fire Girls of Campbell, California."

In his letter to the Campbell friends, Nichols told how much he and fellow G. I.'s appreciated the magazines, and especially that which came from the local Camp Fire Girls. "I am sure they will be glad to know that some of their magazines reach the servicemen," he wrote, "and we really did appreciate it. Be sure and thank all of them from all the boys over here."

PFC. CHARLES KEESLING
Pfc. Charles Keesling, 18-year-old son of Mr. and Mrs. Joe Keesling of S. Union Avenue, completed his basic training at Sheppard Air Force Base, Wichita Falls, Texas, and has recently been sent to Francis E. Warren Base, just outside of Cheyenne, Wyoming.

Keesling, a graduate of Campbell Union High School with the class of '49, was employed by Guarantee Construction Co. of Palo Alto before he enlisted. At the F. E. Warren Base he has been assigned to a 30-week course as a wire mechanic.

FLY WITH THE U.S. MARINES
Immediate enlistments are now available to all mentally and physically fit young men and women in the United States Marine Corps. Check your advantages in the

Leatherneck Corps today. Learn that High School completion and college is not required to pilot the Leatherneck way. Age requirements are 17 to 29 for the men, and 18 to 30 for the ladies. Your choice of either 3 or 4 years to enlist. Room 227, Post Office Building, San Jose. CY 5-6685.

RICHARD A. SUBDON
Richard A. Subdon, son of Mr. and Mrs. Joseph Subdon, P.O. Box 292, Campbell, was enlisted in the U.S. Navy as a Seaman Recruit, and transferred to San Diego for eleven weeks of recruit training. Prior to his enlistment, Richard attended Campbell Union High School.

N. H. GABBARD
Norman Henry Gabbard, engineer, second class, USN, son of Mr. and Mrs. M. S. Gabbard of 345 Harrison Ave., Campbell, and husband of Mrs. Helen Louise Gabbard 16 South First St., San Jose, has been assigned to duty with Commander Fleet Activities at Sasebo, Japan.

amount of their budgets—"taken" for a houseful of junk. Buyers must learn to deal with reputable stores who advertise their trade names, whose reliability is known. Appliance and furniture dealers in Campbell can and do stand behind their merchandise. Their future depends on it. No matter what the buyer wants in the way of furniture or appliances, he can find it here at home or it will be ordered for him.

Reputable dealers such as Accardi's, Burnett's Appliances, Cambrian Appliance, Campbell Furniture and Appliance, Garden City Appliances, Grannis, Hubert's Schmidt & Hammer, Western Auto Supply, can sell and do sell their quality stock at prices equal to or lower than those in the cities.

The reasons why they can meet city prices are their low overhead, buying connections equal to those of the city retailers, and the Campbell shopper receives not only a fair price on his purchase, but freedom from parking meter and parking lot worries, personalized service, fast delivery and the knowledge that the item he has bought is backed by a firm with a reputation for longtime service and reliability.

Yes, delivery on a Campbell-purchased appliance is faster. Delivery on furniture or appliances bought in San Jose may require as much as three days even for an item bought off the floor. San Jose delivery outfits have divided the county into zones. Campbell gets two deliveries a week, that's all.

The next time you see a happy hooligan in an ad offering you gigantic bargains at a city store, look for name brands listed in the ad, shake a little mental salt on the promises—there's a bigger saving in smart buying.

SERVICE CLUB MAY DAY TEA TO FEATURE MUSICAL PROGRAM BY TRIO AND MEZZO-SOPRANO

A two-part program will be presented at the Campbell Women's Service Club May Day Tea next Wednesday, May 2, by the San Jose Trio and Mrs. Helen Stover, mezzo-soprano. The annual spring musical tea will be held in the First Methodist Church of Campbell, under chairmanship of Mrs. Ray Fish.

Members of the San Jose Trio, which was organized in 1947 to play for faculty, club and college recitals, are Gibson Walters, violin; Lyle Downey, violoncello, and Richard Jesson, piano.

Dr. Downey has studied in Chicago with Hans Hess and Hans Koebel. Mr. Walters studied with Herbert Butler in Chicago, and did ensemble work with Hans Koebel and Jacques Gordon. He and Dr. Downey played in a trio at the University of Iowa.

Mr. Jesson has done most of his work at the University Conservatory at Oberlin, and he and Dr. Downey performed in trio concerts and recitals in the Midwest.

Finally, San Jose has brought the three into a well balanced trio.

Helen Stover, vocalist for next Wednesday's program, won a voice scholarship offered by the Federated Women's Club of Humboldt County for Humboldt State College. There she studied with Professor B. Dana Kinsman. She is a graduate in Music of Western Michigan College of Education where she studied under Professor Harper C. Maybee.

She has had additional study with Dorothea Sage Snyder, and has had extensive experience in radio and recital appearances. Mrs. Stover was soloist at Epworth Methodist Church, Toledo, Ohio, and is at present, residing in San Jose where she is a soloist at Calvary Methodist Church.

PROGRAM
Musical program for the afternoon will be as follows:

Trio, Op. 1 No. 3 Beethoven, Allegro con brio, Andante cantabile con variazione, Minuetto, Finale. San Jose Trio. From Monte Pincio, Grieg; My Peace Thou Art, Schubert; Why, Tschaikowski; The Erlking, Schubert. Mrs. Stover, Three Minutaires, Frank Bridge. San Jose Trio. The Unforsen, Scott; Sheepfold Song, Landon Ronald; Into The Night, Clara Edwards; Let My Song Fill Your Heart, Ernest Charles, Mrs. Stover.

The public is invited to the tea and program. Reservations at \$1 per person, may be obtained by phoning Mrs. C. F. Helmbold, reservations chairman, Campbell 2872, or any other member of the group. Committee chairman assisting Mrs. Fish are: Mrs. Gregory Parker, program; Mrs. Russell
